

VAREKAI™

CIRQUE DU SOLEIL®

Cirque du Soleil euphoria caused an extra Varekai show!

Due to great interest of world-wide known artistic group Cirque du Soleil's visit of venue Stožice in Ljubljana an extra Varekai show will be performing on Sunday, October 16th at 4.30pm. In addition to Friday and Saturday performances you now have the opportunity to get your ticket for an additional Sunday performance. We are a month away from the arrival of Canadian artists and a true Cirque du Soleil euphoria is taking over Slovenia. After many years of waiting thousands of fans will finally have their dreams come true. And the first visit to Slovenia is also anticipated in the Canadian headquarters. Varekai team is currently located in Asia but will be traveling to Europe very soon. Together with them they bring an extraordinary adventure that combines breath taking theatre, dance, music, costumes and acrobatics in one unforgettable show.

About Cirque du Soleil

From a group of 20 street performers at its beginnings in 1984, Cirque du Soleil is a major Québec-based organization providing high-quality artistic entertainment. The company has 4,000 employees, including more than 1,300 performing artists from close to 50 different countries. Cirque du Soleil has brought wonder and delight to more than 160 million spectators in more than 400 cities in over sixty countries on all continents. For more information about Cirque du Soleil, visit www.cirquedusoleil.com.

Treat yourself and your family and friends with Cirque du Soleil's Varekai. Tickets for all four shows between October 14th and 16th are available at www.cirquedusoleil.com, Eventim.si and Eventim selling points.
